## Questions from Pastor...

With confirmation coming up this month (15<sup>th</sup>) I thought this might be a good time for you to try some of the questions the confirmands have on their final test. **If you're not sure of an answer - check our website**

[www.livingwordlutheran.net](http://www.livingwordlutheran.net)

T or F: The Bible's main purpose is to show us God's rules for life. (see Jn 20:31)

The Bible...

- a) is God's word. (*entirely* reflects what *God* wants us to know)
- b) contains God's word. (only *some* of it reflects what God wants us to know)
- c) is partially God's word and partially man's word. (So some is reliable and some not)

Of the four Gospel books, \_\_\_\_\_ deals mostly with the spiritual purpose of Jesus' ministry, while the other three focus mainly on the physical details of his ministry.

The period of instruction leading up to the rite of Confirmation is necessary

- a) because you have to know the 10 Commandments, Apostles Creed and Lord's Prayer, (among many other things) in order to be saved.
- b) because you have to pass a test in order to be a part of God's Church
- c) as a follow-up to Christ's command to "make disciples by baptizing & teaching"

In the Lord's Supper we receive...

- a) bread and wine only
- b) Christ's body and blood only
- c) bread and wine and Christ's body and blood

In order to partake of the Lord's Supper, one must first...

- a) understand how bread and wine *could be* the body and blood of

- + Reminding me to be thankful for what I am blessed with: Family, Friends, and life in general!
- + Teaching me that nothing happens by mistake. God has a purpose for everything that happens.
- + Showing me that I am here for a purpose.
- + Showing me how many things I've fallen short of
- + Making a commitment
- + Showing me that my life is worthy
- + Driving home the fact that I need to see others the way God does. Everyone is special and God has made each of us for a purpose. Who am I to think otherwise?
- + Making me more patient with people.

## Your Responses to the 40 Days of Purpose

Here's how people finished the statement:

### God worked in my life through the 40 Days of Purpose by . . .

- + Showing me His presence in my life and my abilities to bring others to him
- + Helping me re-direct my goals to turn everything over to Him for everyday life to be for His glory
- + Remembering the goal of "save one more for Jesus"
- + Putting challenges in my life that continue to remind me of what my purpose really is - and who I need to rely on in meeting those challenges.
- + Just by reminding us we are to live a life that God would want us to - even though we don't
- + Showing me I don't have a group of Christian believers and friends that I have committed to enough to have built up a support system for checks and balance and inspiration. I'm still trying to do it all myself
- + Reminding me of my purposes
- + Giving me opportunities (many recently) to serve others
- + Allowing me to share my faith with others
- + Reminding me everyday that I am loved
- + Bringing me closer to Him
- + Being with us and keeping us safe
- + By keeping us safe, answering our prayers for wisdom and patience
- + His love and forgiveness
- + Leading me to God more than I already was
- + Bringing me closer to God
- + bringing me closer to Him through the book
- + Helping me speak out about faith and become a stronger leader
- + Giving me a passion to speak up and be open to others
- + Teaching me to be obedient - always
- + Helping me get through the sudden loss of my Grandma!
- + Helping me make an extremely tough decision
- + Getting me to consider joining Living Word
- + By making God's Word practical and useful for every thing in the good times as well as the bad times
- + Encouraging me to be more bold in inviting people to attend small groups
- + Making it easier to show my faith outside my circle of Christian friends and talk to others about God and my faith
- + Keeping us focused on Him every day
- + Helping me put others before myself.

Jesus

b) simply believe that we receive Jesus' body and blood in the bread and wine even though we don't understand how it happens.

Which of the following is not a benefit God brings to us in baptism:

- a) forgiveness of sin
- b) The Holy Spirit
- c) the perfect righteousness purchased by Jesus' life and death
- d) automatic entrance to heaven

T or F: Christians worship the same God as Muslims and Hindus

Jesus gave us the Lord's Prayer (check all that apply)

- because we need to repeat it word-for-word in each worship service to please God
- as a model of the things we should pray about
- using the exact same words both times he said it in the Bible
- as an example of the attitudes we should have when we pray

T or F: The apostles left us very precise details for how to worship Jesus.

T or F: we know there is a God is that he's written his laws on everyone's conscience.

What gives God the right to ask you to put him first in your life ?

God's Word can sometimes seem like pieces of a puzzle that don't fit together until you know that \_\_\_\_\_ is the "piece" that is the heart and center of what the Bible is all about.

The rite of Confirmation is ...

- a) a Biblical requirement for eternal life
- b) a Biblical requirement for joining the Lord's Supper
- c) is necessary to finish off what God started in your baptism
- d) a chance to publicly show you're "not ashamed of the Gospel of Jesus"

What do you show others (and God) when you don't make time to worship him?

Whenever God asks someone in the Bible to do something for him, and they are afraid of doing it, what God always says "Do not be afraid, because... I am \_\_\_\_\_."

Have you ever broken the fifth commandment? (explain your answer)

The *only* question to ask when tempted to have sex is:

- a) Do I love this person?
- b) Does this feel right?
- c) Am I married to this person?

T or F A homosexual relationship is ok with God as long as the couple is committed

Confirmation Day is like (choose one) marriage / graduation because...

Tell how God's Word is like a diary...

Paul writes: "It is by grace you have been saved, through faith, and this is a \_\_\_\_\_ from God. It is not by your works, so that no one can boast [that they earned their way to heaven]."

As with any gift, you need to send a "Thank You note." You send a thank you note to God for the gift of eternal life by...

Did Jesus ever claim to be God?

The Lord's Prayer is an example of attitudes we should have when we pray. List some:

Write out 1 John 5:13

\_\_\_\_\_ chapter \_\_\_\_ is where you'll read "nothing can separate you from God's love"

God's number one purpose for you is to be \_\_\_\_\_

The number one thing the Spirit works through to help you become more like Jesus is: \_\_\_\_\_

## A Minute for Men...

### Lessons from Bible Guys: Thomas

What usually comes to mind when you hear about Thomas is that infamous statement he made after hearing the other disciples tell him that Jesus was risen from the dead: *"Unless I see the nail marks in his hands and put my finger where the nails were, and put my hand into his side, I will not believe it."*

But the example I want to focus on today is a question Thomas asked the night *before* Jesus was crucified. Jesus had just told His disciples that He was going away to prepare a place for them in His Father's house, and that He would come back to take them there. Then he said, *"You know the way to the place where I am going."*

At that point I can envision all the disciples scratching their heads and whispering to each other, wondering just what Jesus is talking about. But no one wants to let on that they don't have a clue - except Thomas. Thomas asks the question that was likely on everyone's mind:

*"Lord, we don't know where you are going, so how can we know the way?"*

It doesn't matter how long you've known Jesus (Thomas was with Him on a daily basis for three whole years), there are still going to be things that you don't understand. That's to be expected. He's God and we aren't. It's natural that we don't always "get it." But Thomas sets us the example of what to do when we don't "get it." He asks a question.

Here's the great answer that Thomas' question led to:

*"I am the way, the truth and the life. No one comes to the Father but by me."*

When you hear something from the Bible that you don't understand - either in your own readings or in church - don't hesitate to follow Thomas' example and ask your question. You can always email your question too: [dvdauk@mail.tds.net](mailto:dvdauk@mail.tds.net)

T or F: The way to be saved in the Old Testament is different from that in the New Testament

If you died tonight are you sure you would go to heaven? Is it possible to be sure?

If you did die tonight and are standing before God and he says, "Why should I let you in to my heaven?" how would you answer?

A friend asks you "What exactly is the 'Gospel message' you Christians talk about all the time?" What would you tell them?

Thanks for (asking) answering,

## Parable Of The Pencil

The Pencil Maker took the pencil aside, just before putting him into the box. "There are 5 things you need to know," he told the pencil, "Before I send you out into the world. Always remember them and never forget, and you will become the best pencil you can be."

"One: You will be able to do many great things, but only if you allow yourself to be held in Someone's hand."

"Two: You will experience a painful sharpening from time to time, but you'll need it to become a better pencil."

"Three: You will be able to correct any mistakes you might make."

"Four: The most important part of you will always be what's inside."

"And Five: On every surface you are used on, you must leave your mark. No matter what the condition, you must continue to write."

The pencil understood and promised to remember, and went into the box with purpose in its heart.

Now replacing the place of the pencil with you. Always remember them and never forget, and you will become the best person you can be.

One: You will be able to do many great things, but only if you allow yourself to be held in God's hand. And allow other human beings to access you for the many gifts you possess.

Two: You will experience a painful sharpening from time to time, by going through various problems, but you'll need it to become a stronger person.

Three: You will be able to correct any mistakes you might make.

Four: The most important part of you will always be what's on the inside.

And Five: On every surface you walk through, you must leave your mark. No matter what the situation, you must continue to do your duties.

By understanding and remembering, let us proceed with our life on this earth having a meaningful purpose in our heart.
